“ *I had the privilege of having Cindy as a sister-in-law for over 40 years. Always enjoyed visiting her - she made you feel welcome in her home. Her outgoing personality made it enjoyable to simply sit and talk. And, more importantly, she was kind enough to laugh at my jokes. I will miss her.*

“ Auntie Cindy, aka AC, was the best auntie you could have ever asked for. She was a second momma to me for many years after high school when I moved in with her and my cousin Lisa. We were "roomies" for about 4 years and had so much fun together. She was such an inspiration to me to look good every day and to work hard for what you want. My favorite memories were all the "Christmas Eve's" we spent at your house with all the family. You are now my Angel AC and although I will miss having you here for the rest of my life, I'm glad you are now pain free and soaring above us with grandma and grandpa. Luv you forever AC xoxoxoxo
