

Mr. Daniel Jack Downs

August 30, 2016

In loving memory:

Daniel Jack Downs passed away unexpectedly on Tuesday, August 30, 2016. He will be terribly missed by all who knew him. Loving the outdoors, he was adventurous and caring of his wife of 37 years, Cindy and his loving dog Bella.

Cindy and Jack backpacked extensively through the Sierras with their dog Mac. They enjoyed going to most of Candace's ski races around the Tahoe area and to her Junior Olympics competition at Mount Bachelor, OR. They would travel to Italy on their anniversary every couple of years. The relatives in Italy loved Jack. Jack would teach them hand signals only his CalTrans coworkers and him would use. Jack loved to cross the road from their home in Truckee and fish the Truckee River. He enjoyed backcountry skiing and watching major sporting events with his very good friends Duncan and Craig. Cindy and Jack enjoyed many, many good friends in Truckee. They lived in the Tahoe-Truckee area for over 37 years and had a wonderful life together.

Jack worked at Amerigas Truckee for 20+ years, and then for CalTrans for the last 15+ years as a plow operator, keeping roads such as Emerald Bay safe. Jack was born in Omaha, Nebraska in 1955, went to Bishop Grimes High School and graduated Drexel University as a TKE.

Jack is survived by his loving wife Cindy, loving daughter Candace, grandson

Braden, his loving mother Jill Downs of Saint Louis, MO., his brother Chis, wife Judi and their son Kevin and daughter Maureen, sister Teresa, husband Van and their son Alex. All of the Saint Louis area. Sister-in-laws Aunt C of Truckee and Denise Schick and her son Colin of Sacramento, and including many more loving family members of the Downs family.

Viewing Tuesday September 6, 3-7PM, at the Truckee Mortuary

Service September 8, 3PM at the Assumption Catholic Church
10930 Alder Drive, Truckee.

Wow where to begin ... Jack I sold our home today 10-20-2020 at 11:11 escrow closed they say that 11:11 is the angel sign 😇 I know you are my angel and will always keep us safe I miss you so much my house meant a lot to me I know we talked about that it was bittersweet but like I told you earlier last week I was a young couple newly engaged and it was their first home and they wanted to live in it so it's not a Ski lease for them that was why I decided they were the couple... I Will never forget our memories there are our last days there.. I sprinkled some of your ashes in cabin creek and around our home there and I promise to add some in the river soon !! It's been four long years without you I don't know how I've done it or how I will continue doing it but it's time for me to be selfish I guess in a way and start a new life but you will always be the hugest part of my life 💙😇 I love you forever and a day JACK DOWNS 08-30-2016 10-20-2020

Hi my love , it now the end of February 2021 and so much has changed .. I thought it would get better after the TRUCKEE house was gone and the burden has lifted but the pain of selling our home is still there so bitter sweet knowing your soul is still there and I'm not 💔 I had to move on and I hope you understand it's so bittersweet and the best thing is Aunt C isn't always having to dig out the tank and keep the house driveway clear and Maintenance what a huge weight liftoff her I'm sure and off me for sure .. she is amazing as you know and has been there for me / us the whole time as I'm sure you know .. she is AMAZING and so strong .. going on 5 years this year in August it seems like yesterday that we lost you always so fresh in my mind .. our grandson Braden is so smart and is growing up so fast he has lost 1 tooth and is losing another tooth any day.. I tell him stories about you every chance I get .. you know he wants to wear your Barney's and they are just too big right now lol .. he's always asking questions about you and what you liked and I always tell him how proud you would be of him .. I talked to your BFF Jimmy Byrnes alit and always about you he loves you and misses you also he has great childhood stories of you and him and I love hearing the stories !! Please kiss BellaBoo for me and take her fishing I'm sure you both are side by side and know how much I love you and her always in my heart and for ever in my thoughts .. I so miss you both 💙💜🐾 I love you so much 💋💋 xoxo

Cynthia. I never met you. But Jack was one of my best friends in college. And then after college we traveled around the country until we wound up in Lake Tahoe. We ran out of money and had to get jobs at a casino there. It was back in 1977 or so. I ultimately ended up leaving and I guess Jack ended up staying. I miss him very much. We had such an amazing short time at Drexel and then thereafter together. I will never forget Jack. What an amazing man. Best, Andy
