“ *Mr. Ahern was my Spanish teacher in high school. I absolutely adored this man and always thought of him as my favorite teacher. Growing up I'd see him at church a lot too. He would always say hi to me (in Spanish of course) any time I'd see him out and about. Such a kind, truly genuine man. I was so sad to hear about his passing a few years ago. I did not hear about it until about 4 years after he passed. I wish I could have been at the memorial to pay my respects. I just thought of him today and wanted to come post this although I'm not sure anyone will see this. He was a great person and I will always remember him.*
