“ *I first met John at a Kokanee Power Derby. He always made me feel welcome and treated me with the utmost respect. One thing John and I shared was the love of fishing, especially Kokanee fishing. John will always be remembered, never forgotten.*

“ *John was a wonderful kind man. I always remember his kind words and his leading our KP group in prayer. The last time he came up to the Whiskeytown derby it was hot and he was camping in his truck and miserable. Since we live in Redding we said come and park your truck and boat at our house and sleep in our spare room with A/C. he laughed and gave me a big hug and said he could tough out for one more night but next year he would remember our offer, sadly next year did not come as he had his heart surgery. I will remember his smile and big hugs and we will miss him so much.*

Godspeed John.
