“ Kat, you are missed so much and missing so much. Marinn moved to NJ permanently to be with Eric. She has a job at Super Cuts in Somerspoint. and doing well. Guess what you are a great grandma and My my is a grammy. Marinn had a baby boy April.2, 2021. his name is Draven and you two would just squeeze him to death. He looks so much like Rinn as a baby curls too. Marinn and Eric got married Sep 25th, 2021. They had a nice simple wedding at Eriks moms house . No I couldn't go we are having what is called a covid pandemic. Pretty much everything has come to a stand still. Papa did not get it thank goodness nor anyone in your family that I know of..I have temp custody of Hunter he got it Carol and the girls got it but Carol doesn't believe in the shots. I got the shots and so far am ok.. Today is March 3 2022, my my Peyton will be 16. We hardly see him you know how that goes. Kathy, I lost Nancy in 2017 and Kevin in 2020.. My dad was in a serious car accident in May of 2021 he lost his left leg. He is still recuperating and stubborn. March 5th Adriaan and family are driving papa to Sacramento for The celebration of Life Service for Bridgett. Aarons fiance Aaron had finally met the woman he was going to make his wife. They were happy and in love. Unfortunately she passed away unexpectedly on Feb 3 2022. Aaron is devastated. If you are able to look down on us then you know all this and what our world is becoming. But know this my my and Kat you will know one day when we all meet again. I love you, Your EI
