“ Shirley, Glenda, Brian and Ronnie - I'm very sorry to hear of Marvin's passing. I left Truckee after high school, and unfortunately only got to see him a few times over the years. When we did meet up, like when he was helping my brother Mike work on his house, the intervening years melted away with Marvin's laugh and we could easily have been heading down to Philippi's for Popsicles again. He was a good friend, a good man, and will be sorely missed by all who were fortunate enough to know him.

“ Glenda and family, I am so sorry for your loss. Marvin was like a big brother to me and he was my rock when I was going through some bad times after my first marriage ended giving me guidance and giving me the strength to move on. He had such a big heart. Glenda you were my absolute best friend all through my childhood and a day doesn't go by that I don't think about you and I want you to know that you and your family are in my prayers.

“ We all went to school together although Marvin was ahead of me, I knew his sister Glenda well. The Constan family was well known and respected in and around Truckee. I am so sorry for their loss of their loving son and brother. I send my blessings and love to the family and hope in time the pain will ease.

“ I don't have a memory or a story about Marvin.....I just remember he was Glenda's older brother and I have heard his name comes up over the years as he had stayed in Truckee and always heard good things. Today I have read so many good stories and memories on the Truckee Facebook Page. I hope all those folks will come here to this memorial page and share them with you, his family. Many hugs and prayers to your family and to my childhood friend Glenda. So many of us have missed you over the years.

During high school Marvin was my best friend. We went fishing together and basically did everything together. We both worked at Gautsche's Chevron together. I have so many wonderful stories that all begin with Marvin and I. Several years after high school I moved to Placerville. I tell stories of us to my wife and until she met Marvin and he told some of the same stories she thought I was making stuff up. He was a wonderful friend and I will surly miss him. My regret is that we didn't stay in touch over the years.
