Sergio Candia

March 12th, 1972 - January 4th, 2023

Sergio was born in Durango, Durango, Mexico but loved Truckee, its mountains, and snow so deeply that he wouldn't hear of moving. The second youngest of 11 children. A bright and intelligent boy who earned an engineering scholarship but through fate and circumstance was unable to attend. He started working at the age of 7 and never stopped. He was a lumberjack, always talked about scaling trees; he was brave and daring. He lived a hard life but was never a hard person. He was kind and thoughtful, a man always willing to lend a helping hand even if it meant going out of his way. He always had a smile ready and a quick joke when greeting friends and family; to him family and friends were one and the same. His children were his greatest pride and happiness (he'd always wanted and dreamed of becoming a father). He will be missed but his presence and actions have touched so many lives that his memory will live on.

He is survived by his wife Rosa and his three children Nayib, Loreta, and Carol.

His funeral and church service were held Thursday, January 19, 2023.
