

## Ms. Zoe Ann King

July 12, 2016

Zoe Ann King (57), beloved mother of Tara and Talon King, ex-wife to Patrick King and partner to Jeremy Allen, was taken suddenly and unexpectedly as the result of a bicycle accident the morning of July 12, 2016.

Zoe spent her life between the Sunshine Coast, Australia and Truckee, California and was an active member of the community, working for the Tahoe Forest Hospice Thrift Store for 11 years.

Those who knew her know that Zoe lived her life with a burning passion for her daughters, art, fashion, hiking, camping, and the ocean. She was a kind, honest, hardworking person who was always there to help anyone who needed it. She touched the lives of everyone who met her.

A tribute to Zoe's life is being held on Sunday, August 28 from 11am to 2pm on the West End Beach of Donner Lake and all friends and community members are invited to attend to share in this meaningful celebration. We ask those who come to please bring a plate and beverages.

Any contributions to the event are appreciated however we do ask that this be considered a celebration and as such would appreciate if those attending please do not wear black.
